WAKMANN

FOR THE TIME
OF YOUR LIFE

Today, as it has been for three generations, the WAKMANN name symbolizes the superlative in quality and precision timekeeping instruments. This tradition of integrity has always been a WAKMANN watchword and is accepted throughout the world.

On the following pages you will note four distinct sections comprising the unique WAKMANN line – The only line of its kind in the entire world, offering such a range and diversification in the timekeeping field:

1. Timers and stopwatches.
2. Chronographs and multi-purpose technical watches.
3. The most complete line of aviation timepieces, made in accordance with the latest military and commercial specifications.
4. Full assortment of ladies and gent's dress and utility wrist watches.

The Armed Forces, U. S. Government, State and City Bureaus, industry, commercial airlines, electronics manufacturers, research and engineering organizations, radio and television studios, school and college officials, scientific laboratories, arenas, race tracks as well as the leading jewelers and sporting goods dealers in America consider WAKMANN WATCH CO. INC. as their prime supplier.

We maintain a complete inventory on hand at all times, together with supporting spare parts. Our staff of engineers, watchmakers, and horological experts are among the finest, and are ready to service our instruments at our production center. Our products are unconditionally guaranteed and WAKMANN WATCH CO. INC. stands firmly behind all its timepieces.

We trust that this catalog will aid you in obtaining the best in timing instruments available today. The watches and clocks illustrated can be sincerely recommended for enduring performance and faithful serviceability.

1/5 SEC.

1/100

MIN.

COMBINATION 1/5 SECOND AND DECIMAL TIME OUT TIMER
A very practical dual purpose timer. The outside ring of figures are the conventional 1/5 second divisions dividing the dial into 1/5 of seconds and seconds. The inner ring of figures divide the dial into 1/100 parts of a minute (decimal), the long hand completing one turn of the dial in 60 seconds. The small hand registers up to 30 minutes. Start, stop, continue from crown. Returns to zero from side button.
65 \$39.00

1/5 SEC.

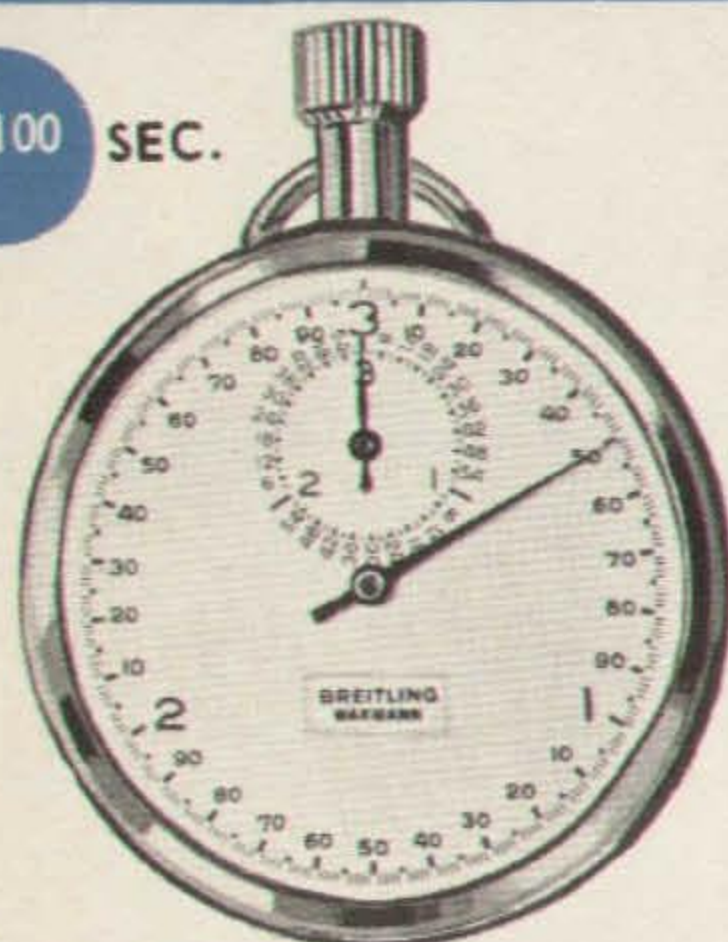

FILM FOOTAGE TIMER
Reads directly in feet per minute for 16 and 35mm, with regular 1/5 seconds and seconds divisions as well. The sweep second hand revolves once in 60 seconds, minute register hand reads to 30 minutes. Side slide starts and stops hands. Pressure on crown brings hands back to zero.
68 \$40.00

- MODERN, DIAMOND POLISHED CASE
- CASE PROTECTED AGAINST DUST, DIRT AND MOISTURE
- SHOCK RESISTANT, ANTI-MAGNETIC MOVEMENT
- BREAK RESISTANT CRYSTAL AND MAINSPRING
- CONSTRUCTION AND TIMING IN ACCORDANCE WITH U.S. FEDERAL SPECIFICATIONS GG-W-111a AND GG-S-764a AND DESIGNED TO MEET THE MOST EXACTING STANDARDS DEvised BY WORLD RE-NOUNDED HOROLOGICAL OB-SERVATORIES.
- ELECTRONIC REGULATION AND CONTROL AT EACH STAGE OF MANUFACTURING.

BREITLING-WAKMANN

1/100 SEC.

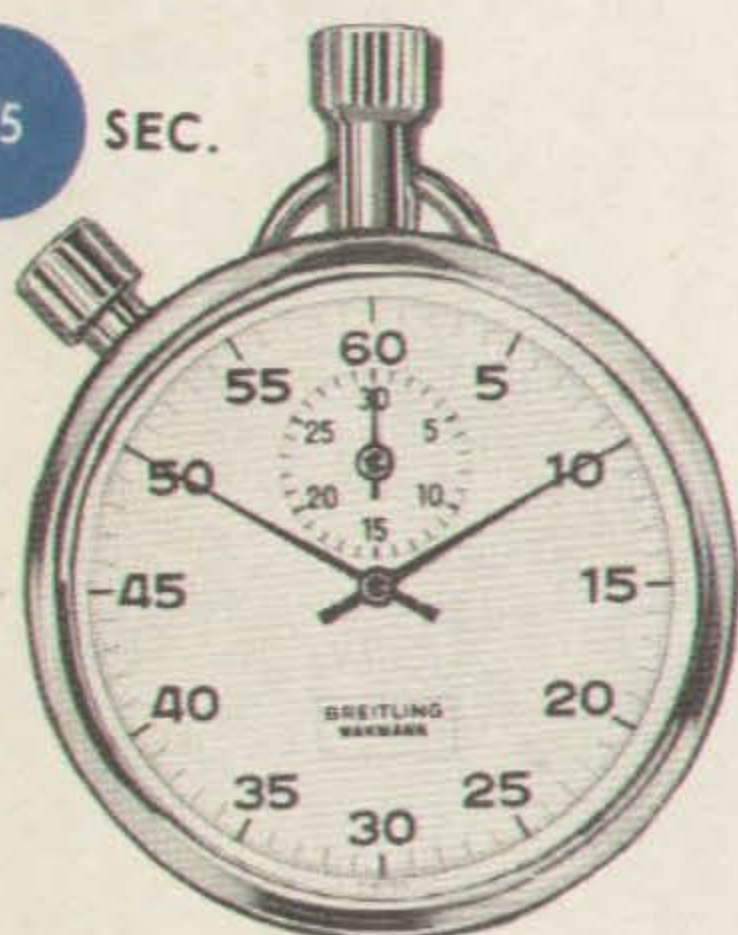

1/100 SECOND PLAIN TIMER

Excellent for very close timing. The sweep second hand indicates 1/100 of a second and completes one turn of the dial in three seconds. The small hand registers up to two minutes in divisions of three seconds each.

Start, stop and return to zero by successive depressions of the crown.

73.....\$44.00

1/5 SEC.

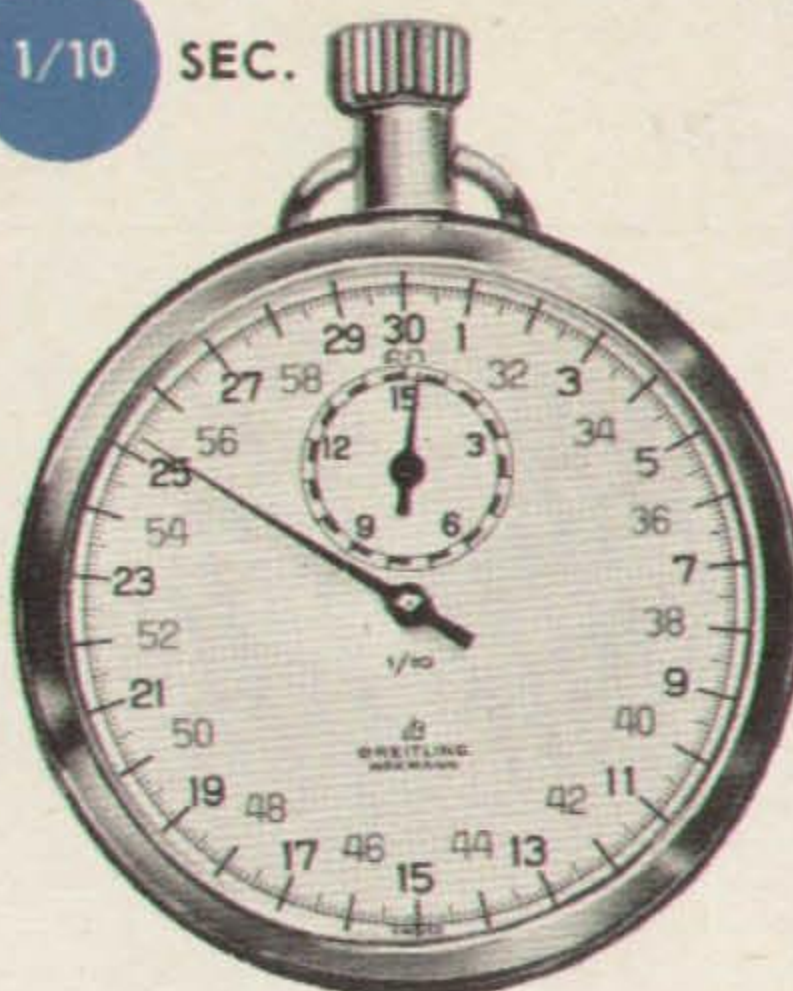

1/5 SECOND SPLIT HAND TIMER

The two sweep second hands indicate 1/5 of seconds and seconds; completes one turn of the dial in 60 seconds. The upper small hand registers up to 30 minutes.

On depressing the crown, both sweep second hands start simultaneously. For recording intermediate time, depress side button which stops lower sweep second hand. Depress this side button again and the lower sweep second hand catches up with the upper sweep second hand.

76.....\$86.00

WAKMANN WORLD FAMED AIRCRAFT CLOCKS

They have to be best to be part of the world's best aircraft

Proved first for dependability — time and again

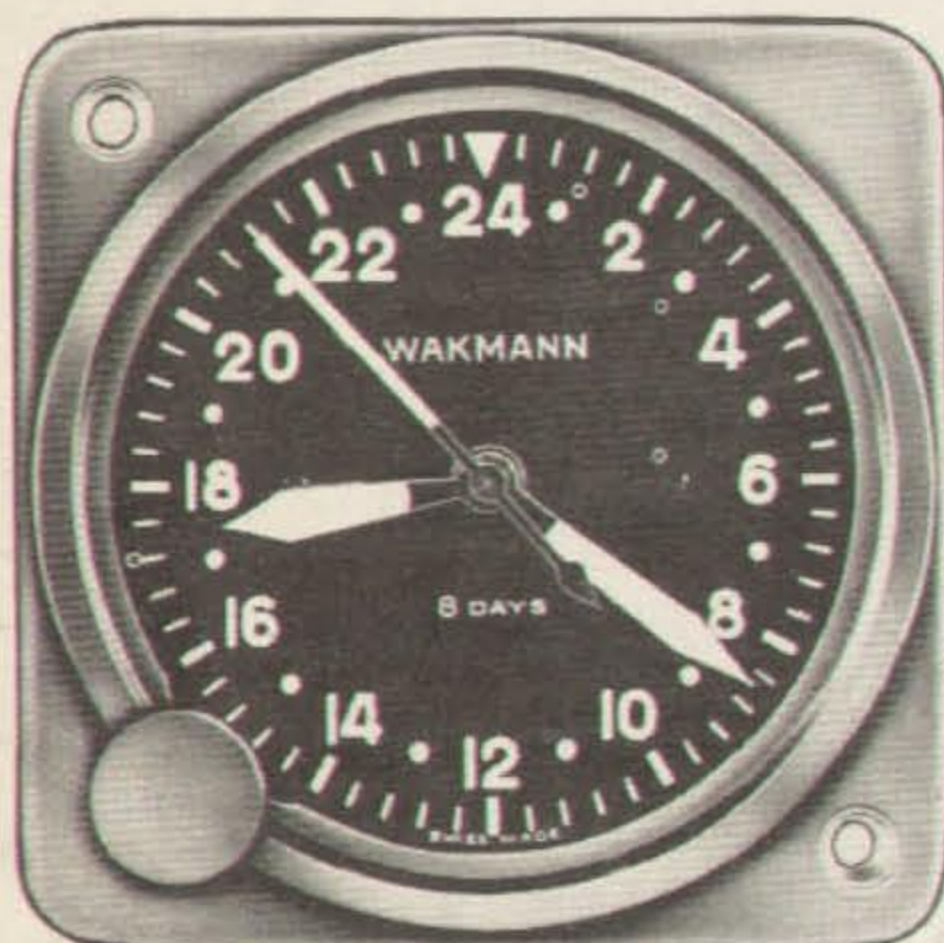

MODEL W-33-7510..... \$80.00

8 day clock, 1 7/8" Dial, Type A-11 made in strict accordance with USAF specification MIL-C-7939A, AN5743-2 and AN5743-L2. Available with long or short knob, it winds and sets from the front of its lightweight, unbreakable, oxidized black aluminum case. Qualified by U.S. Gov't. Standard Aeronautical Group.

MODEL W-33-7510 ET \$94.00

8 day clock, 1 7/8" Dial, same features as Model W-33-7510, but has an additional two dummy hands controlled by center knob. These two hands function as elapsed time hands. Simplifies keeping track of your E.T.A. . . just set the dummy hands on your estimated time of arrival, and the clock does the rest.

MODEL W-33-7511..... \$88.00

8 day clock, 1 7/8" Dial, same as Model W-33-7510, but with a 24 hour dial. Available with long or short knob, it winds and sets from the front of its lightweight, unbreakable oxidized black aluminum case.

FSN-6645-618-6470

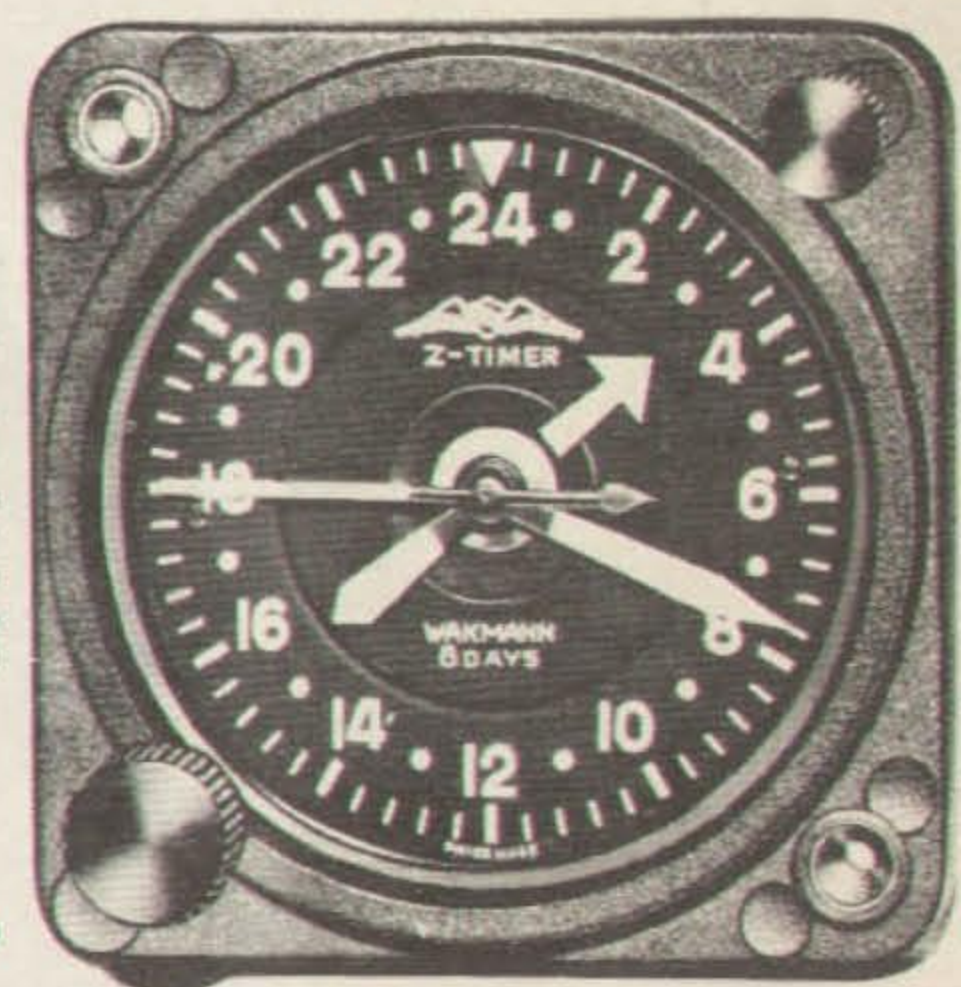

MODEL W-33-7511 GMT \$112.00

Designed to Show Greenwich and Local Time Simultaneously

8 day clock, 1 7/8" Dial, Modified Type A-11, made in accordance with USAF specification MIL-C-7939A. This clock eliminates confusion in reporting and receiving time from range stations when traveling from one time zone to another. Equipped with an additional hand which is set for Greenwich time, and moves simultaneously with the regular hour hand. Available with short or long knob (W-33-7510-L GMT), it winds and sets from the front of its lightweight, unbreakable, oxidized black aluminum case, 24 HOUR DIAL.

MODEL W-33-7510 GMT..... \$106.00

Same as above but with 12 HOUR DIAL.

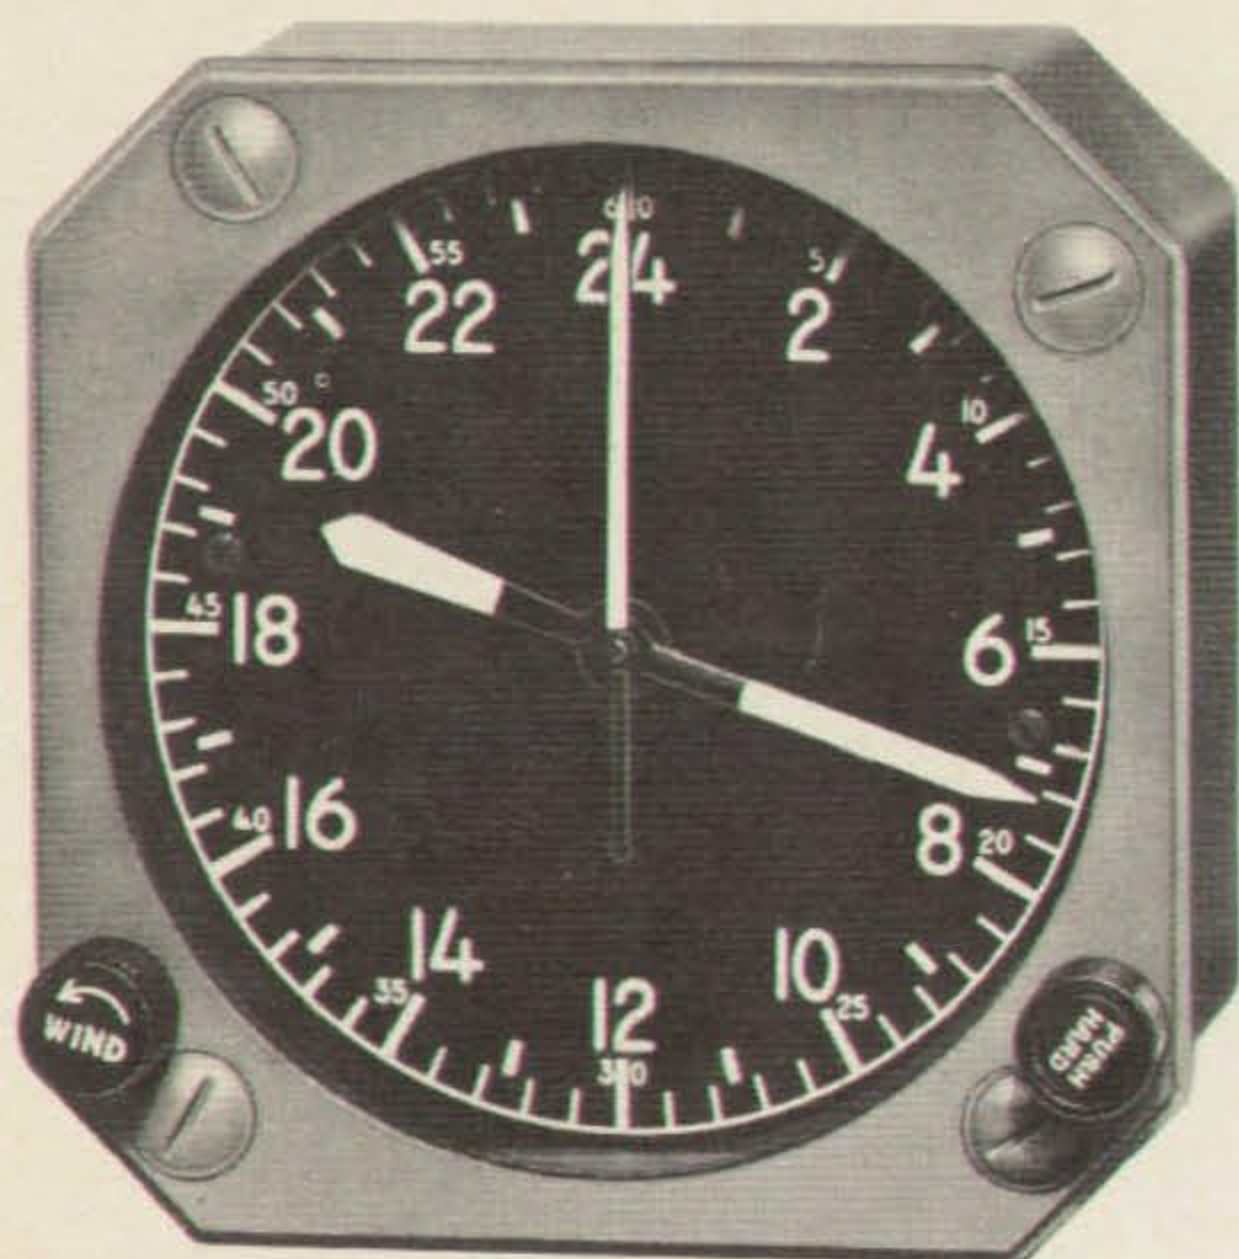

INTEGRALLY LIGHTED

MODEL W-33-7530.....W-33-7535

8 day clock, 2 3/8" square case for clamp mounting. Integrally lighted with red or white lighting as per applicable U.S. Military specifications. Mechanism per USAF specification MIL-C-7939A. Price upon request.

AIRCRAFT CLOCKS

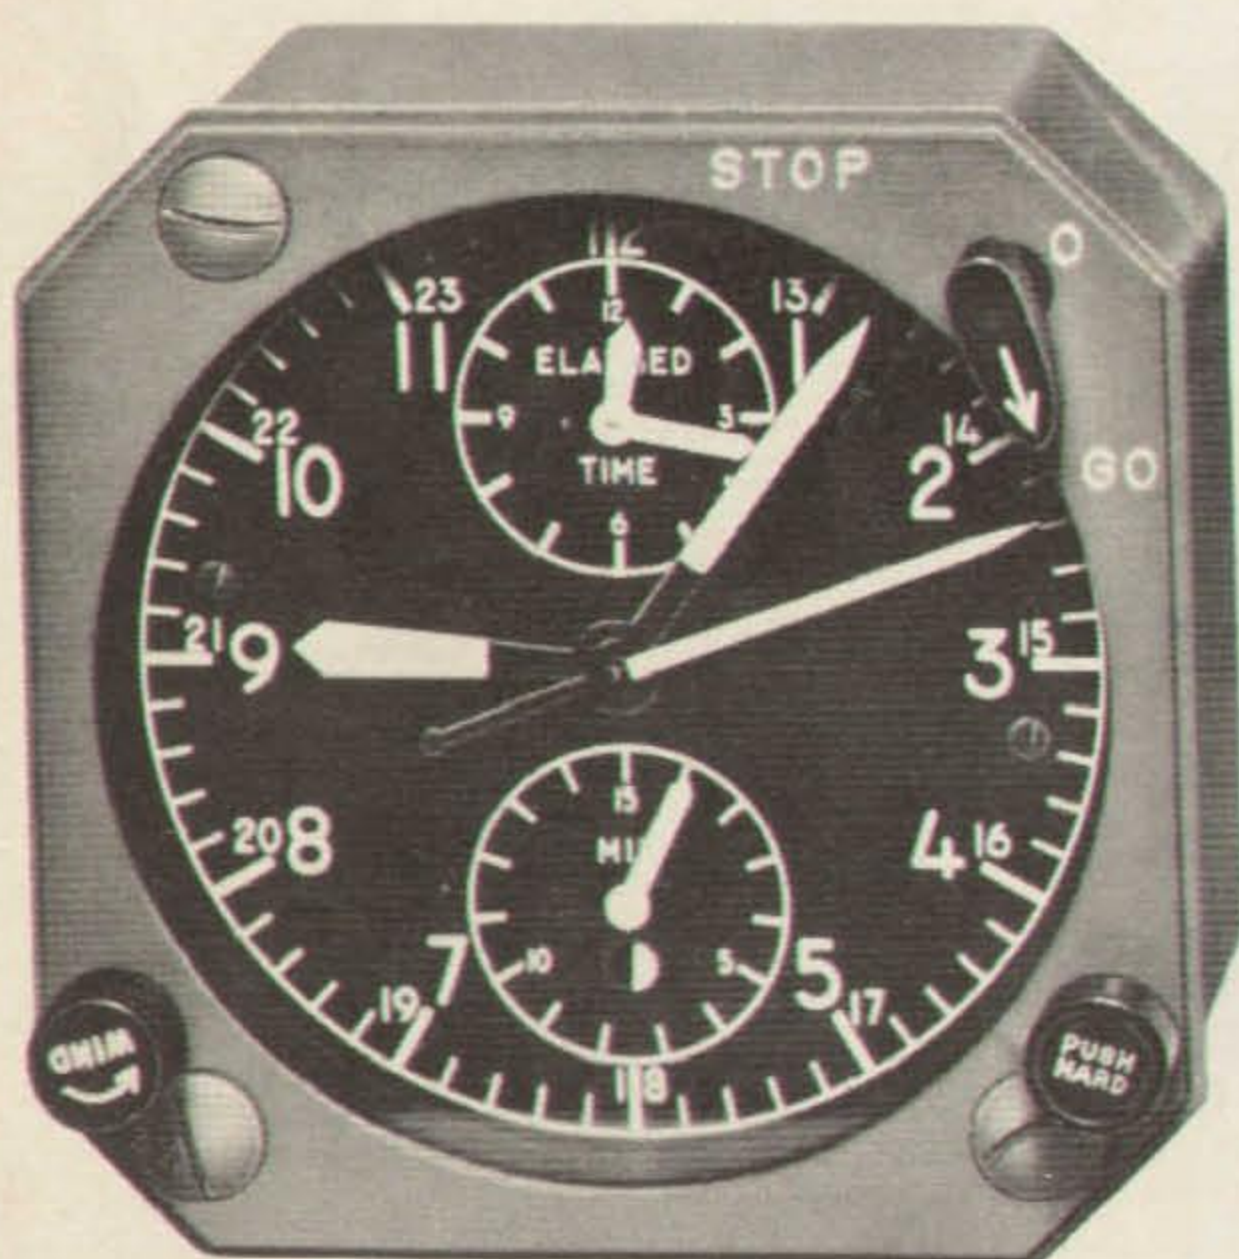

MODEL 648-24 643-24-30

Operation: Start, stop, fly back to zero of center sweep second hand by successive depressions of lower right hand button. Hour hand makes one revolution in 24 hours.

- 8 DAY CLOCK - 2 3/4" DIAL - 3 1/4" CASE, CLAMP MOUNTED.
- INTEGRALLY ILLUMINATED - RED OR WHITE - TO CUSTOMER'S SPECIFICATIONS AS PER CORRESPONDING MILITARY SPECIFICATIONS.
- CASE FINISH-GREY OR BLACK AS PER CUSTOMER'S SPECIFICATION.
- DIAL-MATTE WHITE MARKERS AND POINTERS ON DULL BLACK BACKGROUND.
- BULBS-5 VOLT FILAMENT.
- STANDARD CONNECTORS-TO CUSTOMER'S SPECIFICATION.
- PRICES QUOTED UPON REQUEST.

INTEGRALLY ILLUMINATED AIRCRAFT CLOCKS

MODEL 651-12-24

Operation: Start, stop, fly back to zero of center sweep second hand by successive depressions of lower right hand button. Revolutions of sweep second hand recorded in lower register up to 15 minutes. Upper register records up to 12 hours, controlled by lever in upper right hand corner which allows for start, time-out, time-in, return to zero. Hour hand makes one revolution in 12 hours.

MODEL 650-24 643-24-10
